└ Customs Office of Export	an8	(R)	1x		

⑦

1. The name of the system for which the report is generated
2. The name of the annex
3. The legislation references for the information exchange
4. The full name of the information exchange in the page
5. The full name of the information exchange
6. The header level of the information exchange
7. The item level of the information exchange
8. A data group containing data element/data groups (with capital letters and grey background)
9. A data element
10. The format of the data elements
11. The optionality – (R)equired, (D)ependent, (O)ptional – of the data elements/data groups
12. Multiplicity of the data elements/data groups
13. Rules and/or Conditions applicable to the respective data element/data group
14. The ID of the code list applicable to the respective data element
15. The legal reference number (if any) from the legislation in the header (3) of the data element/data group
